

THE STATUE OF LIBERTY

- The Statue of Liberty is located on a small island called Liberty Island, New York
- It's official name is Liberty Enlightening the World
- It's also known as Lady Liberty because she has a torch in her right hand and in the left hand she holds a tablet with the Americas' Independence day in Roman numbers
- It is a gift from the people of France and it is identified as a figure of freedom and democracy all over the world
