

DESCRIPTION OF THE FLAG

- The stripes of the flag represent the original 13 colonies and the stars represent the 50 states of the union.
- The colours of the flag have a symbolism:
 - The color white means purity and innocence
 - The red color, means hardiness and value
 - The colour blue, means vigilance, perseverance and justice

THE STATUE OF LIBERTY

- The Statue of Liberty is located on a small island called Liberty Island, New York
- It's official name is Liberty Enlightening the World
- It's also known as Lady Liberty because she has a torch in her right hand and in the left hand she holds a tablet with the Americas' Independence day in Roman numbers
- It is a gift from the people of France and it is identified as a figure of freedom and democracy all over the world
